STATE OF MONTANA - TERM CONTRACT

Standard Terms and Conditions

By submitting a bid, proposal, or limited solicitation, or acceptance of a contract, the vendor agrees to the following binding provisions:

ACCEPTANCE/REJECTION OF BIDS, PROPOSALS, OR LIMITED SOLICITATION RESPONSES: The State reserves the right to accept or reject any or all bids, proposals, or limited solicitation responses, wholly or in part, and to make awards in any manner deemed in the best interest of the State. Bids, proposals, and limited solicitation responses will be firm for 30 days, unless stated otherwise in the text of the invitation for bid, request for proposal, or limited solicitation.

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the department, Legislative Auditor, or their authorized agents, access to any records necessary to determine contract compliance (Mont. Code Ann. § 18-1-118). The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the State of Montana or third party.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Mont. Code Ann. § 18-4-141.)

AUTHORITY: The following bid, request for proposal, limited solicitation, or contract is issued in accordance with Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, state, or local laws, rules and regulations, including the Montana Human Rights Act, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

CONFORMANCE WITH CONTRACT: No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the State Procurement Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

DEBARMENT: The contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.

DISABILITY ACCOMMODATIONS: The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will be accepted for invitations for bids, small purchases or limited solicitations ONLY if they are completely received by the State Procurement Bureau prior to the time set for receipt. Bids, or portions thereof, received after the due time will not be considered. Facsimile responses to requests for proposals are ONLY accepted on an exception basis with prior approval of the procurement officer.

FAILURE TO HONOR BID/PROPOSAL: If a bidder/offeror to whom a contract is awarded refuses to accept the award (PO/contract) or, fails to deliver in accordance with the contract terms and conditions, the department may, in its discretion, suspend the bidder/offeror for a period of time from entering into any contracts with the State of Montana.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to protect, defend, and save the State, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except the sole negligence of the State, under this agreement.

INTELLECTUAL PROPERTY: All patents and other legal rights in or to inventions arising out of activities funded in whole or in part by the contract must be available to the State for royalty-free and nonexclusive licensing. The contractor shall notify the State in writing of any invention conceived or reduced to practice in the course of performance of the contract. The State shall have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish or otherwise use and authorize others to use, copyrightable property created under the contract.

LATE BIDS AND PROPOSALS: Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late bids and proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

PAYMENT TERM: All payment terms will be computed from the date of delivery of supplies or services OR receipt of a properly executed invoice, whichever is later. Unless otherwise noted, the State is allowed 30 days to pay such invoices.

RECIPROCAL PREFERENCE: The State of Montana applies a reciprocal preference against a vendor submitting a bid from a state or country that grants a residency preference to its resident businesses. A reciprocal preference is only applied to an invitation for bid for supplies or an invitation for bid for nonconstruction services for public works as defined in section 18-2-401(9), MCA, and then only if federal funds are not involved. For a list of states that grant resident preference, see <http://www.discoveringmontana.com/doa/gsd> under Reciprocal Preference.

REFERENCE TO CONTRACT: The contract (Purchase Order) number MUST appear on all invoices, packing lists, packages and correspondence pertaining to the contract.

REGISTRATION WITH THE SECRETARY OF STATE: Any business intending to transact business in Montana must register with the Secretary of State. Businesses that are incorporated in another state or country, but which are conducting activity in Montana, must determine whether they are transacting business in Montana in accordance with sections 35-1-1026 and 35-8-1001, MCA. Such businesses may want to obtain the guidance of their attorney or accountant to determine whether their activity is considered transacting business.

If businesses determine that they are transacting business in Montana, they must register with the Secretary of State and obtain a certificate of authority to demonstrate that they are in good standing in Montana. To obtain registration materials, call the Office of the Secretary of State at (406) 444-3665, or visit their website at <http://www.state.mt.us/sos>.

SEPARABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

TECHNOLOGY ACCESS FOR BLIND OR VISUALLY IMPAIRED: Contractor acknowledges that no state funds may be expended for the purchase of information technology equipment and software for use by employees, program participants, or members of the public unless it provides blind or visually impaired individuals with access, including interactive use of the equipment and services, that is equivalent to that provided to individuals who are not blind or visually impaired. (Mont. Code Ann. § 18-5-603.) Contact the State Procurement Bureau at (406) 444-2575 for more information concerning nonvisual access standards.

Descriptions used herein are specified solely for the purpose of indicating standards of quality, performance and/or use desired. Exceptions will be rejected.

1.0 SCOPE.

The State of Montana has established this non-exclusive term contract with a single vendor to supply Carhartt clothing products.

The intent of this contract is to provide state agencies with an expedited means of procuring Carhartt clothing products. This contract is for the convenience of state agencies and is considered by the State Procurement Bureau to be a "Non-exclusive" use contract. Therefore, agencies may obtain this product/service from sources other than the contract holder as long as they comply with Title 18, MCA, and their delegation agreement. The State Procurement Bureau does not guarantee any usage.

2.0 DURATION OF CONTRACT.

This contract took effect on July 15, 2002. The contract is renewed for the period of July 15, 2004, through July 15, 2006. This is the first and final renewal option available for this contract.

3.0 CONTRACT EXTENSION.

The contract may, upon mutual agreement between the parties and according to the terms of the existing contract, be extended for an additional two-year interval. This extension is dependent upon legislative appropriations and in no case may this contract run longer than a four year period. Any intention to extend the contract must be initiated in writing prior to the termination date of the existing contract.

4.0 PERFORMANCE REQUIREMENTS.**4.1 Ordering Process**

Carhartt clothing products, F.O.B. Destination, will be supplied on an "as ordered" basis by contractor accepting toll-free telephone calls, written or faxed orders directly from agencies based upon the terms, conditions, and specifications in this document as formalized in the final term contract. The contractor's Toll-Free Number is as follows: **(800) 848-1161.**

4.2 Delivery

Delivery may not be accepted over 30 days ARO. Proposed delivery time-frame and shipper to be utilized for standard "in-stock" items is as follows:

Delivery timeframe: As requested

Shipper: UPS

The minimum dollar amount for orders is \$100.00. Orders of this amount or over will be shipped F.O.B. Destination, with all freight charges included in the price.

Agencies will be responsible for shipping costs only for items returned due to agency error. No restocking fee will be charged.

4.3 Billing/Payment

Separate accounting/invoicing will be maintained for each ordering agency. Invoices will describe individual items ordered, with the unit price and extension included.

The ordering agency agrees to issue payment within 30 days of receipt of properly invoiced, correctly shipped, correctly sized, defect-free, items.

Payment will not be made for any item with which a problem exists until the problem is resolved to the satisfaction of all parties.

For orders under \$100.00, or for rush orders, the shipping charges will be prepaid and added to the invoice as a separate line item.

4.4 Backorders

Contractor will notify the agency immediately of any backorders. Upon sole discretion of the ordering agency, orders for backordered items may be canceled or a mutually acceptable future delivery date negotiated.

4.5 Guarantee

All items will be covered by a minimum 90-day replacement/money back guarantee against incorrect sizing, fading, stitching or seam failure, fabric failure, pilling and warping under normal daily wear by the organization to whom the purchase order for the item is issued. The 90-day guarantee period will begin on the date of delivery of each item.

4.6 Return Policy

Defective, incorrectly sized or otherwise unacceptable items received may, upon agency discretion, be returned for exchange or request credit in full.

There will be no penalty for products returned due to contractor error or receipt of damaged or incorrectly sized goods. **Contractor will pay return postage for items returned due to contractor error.**

If items are returned due to agency error, the agency will pay return postage for items returned.

4.7 Term Contract Reporting

Term contract holder(s) shall furnish annual reports of term contract usage. Each report shall contain the product description, total quantity sold of each item, total dollars expended, and the name of the agency purchasing the item. The first report for this term contract will be due **July 30, 2005**.

CARHARTT PRODUCTS

Reported volumes and dollar totals may be checked by the State Procurement Bureau against State records for verification. Failure to provide timely or accurate reports is justification for cancellation of the contract and/or justification for removal from consideration for award of contracts by the State.

4.8 Cooperative Purchasing

Under Montana law, public procurement units, as defined in section 18-4-401, MCA, have the option of cooperatively purchasing with the State of Montana. Public procurement units are defined as local or state public procurement units of this or any other state, including an agency of the United States, or a tribal procurement unit. Unless the bidder/offeror objects, in writing, to the State Procurement Bureau prior to the award of this contract, the prices, terms, and conditions of this contract will be offered to these public procurement units.

4.9 Procard Acceptance

The State of Montana has implemented a Procurement Card (GE MasterCard) Program to give agencies the ability to charge purchases made from these contracts. The State of Montana prefers this method of payment.
